

DEBT PROTECTION

Does your family have a safety net if the unexpected hits?

Life can be wonderful. But it can also get complicated when unexpected things happen. Protecting your loan balance or loan payments against death, disability, or involuntary unemployment could help protect your finances.

This protection could cancel your loan balance or payments up to the contract maximums.

Life Plus adds protection for life events such as accidental dismemberment, terminal illness, hospitalization, family medical leave, and the loss of life of a non-protected dependent. Protect your loan balance or loan payments today so your family can worry a little bit less about tomorrow.

Purchasing protection is voluntary and won't affect your loan approval. It's simple to apply.
