How to Stop Solicitations

Wish to eliminate unwanted solicitations from mortgage lenders, credit card companies, and other credit grantors? The best way to eliminate these is to opt out by using the following links –

- To eliminate unwanted mail solicitations, go to www.optoutprescreen.com or call 888-567-8688
- To eliminate unwanted phone solicitations, go to www.donotcall.gov or call 888-382-1222. Include all phone numbers currently in use – home and cell.

There are some exceptions to this process – companies that have a current relationship with you are exempt; as are certain non-profit organizations such as religious, political, or community-based non-profits seeking funding. To eliminate these solicitations, it is best to contact each organization directly.

You may also contact the Data & Marketing Association at <https://www.dmachoice.org/> for additional assistance.

Children's Miracle Network Hospitals Update

During the month of February, Members' Advantage Credit Union again participated in the "Credit Unions for Kids" fundraising campaign. Through the generosity of our caring members and staff, we raised an amazing **\$3,421!**

We would like to thank our members for their support during this campaign and all year long in helping raise money for CMN.

Remember, you are making a difference in the lives of children in YOUR community.

**ANNUAL
MEETING**

The entire Credit Union benefits when its' members participate. That's why we invite every member to attend our—YOUR—annual meeting. ALL members are equal owners of their Credit Union.

The annual meeting is an occasion for management and elected officials to report to you, the owners. It's also an opportunity for you to learn about the Credit Union's financial position, products and services, current business issues, and goals.

Without your input, leaders can only guess what you and other owners want from your Credit Union.
